**[(The Complete Ripley Novels: WITH The Talented Mr. Ripley AND Ripley Under Ground AND Ripley's Game AND The Boy Who Followed Ripley AND Ripley Under Water)] [By (author) Patricia Highsmith] published on (October, 2008)** Patricia Highsmith

The Complete Ripley Novels-a first-time, boxed collection of the entire Ripley series-is a cause for critical and popular celebration. Its publication reflects the fact that Patricia Highsmith, "no more a practitioner of the murder mystery genre ...than are Dostoevsky, Faulkner and Camus" (Joan Smith, Los Angeles Times), has finally entered the American literary canon. Marginalized throughout her career as a mere thriller writer, Highsmith has experienced a remarkable renaissance since her death in 1995. Now Highsmith fans and new readers alike can find these five novels-The Talented Mr. Ripley, Ripley Under Ground, Ripley's Game, The Boy Who Followed Ripley, and Ripley Under Water-all housed under one roof in this brilliantly designed, highly collectible edition.
